

# ***NEW from Hawk Cars!***

## ***Aluminium 427 bodies on Steel Substructures***

To satisfy the demand for cheaper aluminium Cobra replicas, Kirkham Motorsports are offering the bodyshell, in aluminium. Exact as original, on a steel tube substructure, that can be easily attached to other replica, kit type chassis. The body will be priced at £10,000 + VAT, which is about 17,000 euros in Europe.
